Dear Beloved Patients,

I am writing to let you know that I will be closing my Chiropractic practice effective January 7, 2022, due to an unexpected health condition, which is forcing me to make an immediate change.

Thank you for allowing me to be your Chiropractor. I have very much enjoyed working with each of you during my twenty-one plus years of practice in Overland Park. I have learned a great deal from you, and I hope that my work has improved the quality of your life.

It is very important to me that you are able to establish your care with a Chiropractor of like-minded philosophy and that this new provider is someone that I both respect and trust, thus I am happy to be able to refer you to Casey Merritt D.C. of Merritt Chiropractic, 8825 Long Street, Lenexa KS 66215 Ph. 913-888-6262 website: www.activatingwellness.com.

As most of you are already aware, Dr. Jamie Fulk has been helping to care for many of you in my absence. If you wish to continue your care with her, you may contact her at her practice: Fulk Chiropractic-Paola Nutrition|Acupuncture, Jaime N (Fulk) Trent, 609 Baptiste Drive, Paola KS 66071 Ph. 913-294-3851, website: www.fulkchiro.com. Jaime is a wonderful chiropractor whose philosophy, and dedication to patient care we also admire, respect and trust.

For your Nutrition Response Testing needs please continue with Kaylee Van Wyk. We know that you love her as much as we do and she is eager to continue with you all. You may make those appointments by calling her at 641-670-0866 to make an appointment.

You will still be able to order your favorite Standard Process and MediHerb products through Dr. Rebman and your order will then be delivered directly to your residence through a program called patient direct. Please contact Dr. Rebman at 913-777-9578 to get the Patient Direct Code and instructions to order.

Although this transition was quite unexpected in my life, I am feeling very positive and peaceful; however, it is still with deep sadness that I will close my practice here in Overland Park Kansas. From me, my staff and my family we wish you all health and happiness.

Sincerely,

Victoria Rebman D.C.
